That Minutes be accepted: Yes

Seconded: Nikki

Carried: yes

Business arising from Previous Minutes

Fundraising meeting took place as scheduled and all fundraising dates were set.

Council replied to the letter sent by Angelica Lapi regarding the pram access on Miller St.

Also the stairs accessing the school from Bexley Rd won't be converted into a ramp by the council, it is the school's responsibility. George the GA will investigate the cost of fixing the ramp.

Discussion took place regarding student who wanted to do band and interest groups, and the two students concerned were permitted to attend creative art groups. This was only possible due to the fact that a small number of students wanted to do both.

Out: Nil

P&C President – John

Air Conditioners

Retro Electrical installed air conditioners in the library and administration block over the school holidays.

All went well.

The extra electrical work carried out i.e. 4 power outlets for the projectors have been donated by the P&C to the school.

School P&C Fete

Firstly I ask the P&C committee to take on the roll to run the school fete as it is a P&C event.

I have called Canterbury Council to inquire if we need any permits. As long as it is all contained in school grounds we do not need any permits.

I have also liaised with a parent of Annandale Public School and have received an outline of what they did for their fete and raised \$35000

I will pass on all information I have received to P&C Fete committee

We will get together outside P&C meeting to discuss further and go through the information I have received and finalise a date, we will also organise any insurance requirements needed.

Angelica has also indicated that Drummoyne Public School has had a very successful fete and we will endeavour to contact them.

At the next meeting I would like for the Fete committee to have an outline as to what will be happening.

Need to find out if the P&C association insurance policy covers us for the fete or if we can be covered under the school's policy.

Fete date appearing on school calendar needs to be removed

P&C is interested in holding a breakfast BBQ on election day.

Thank you

Thank you to the ladies in the P&C for organising the Nibbles & Bubbles night and the Morning tea.

Carried: yes

Uniform Coordinator – Joanne

Over the holidays Connie, Kathy, Anita and I met the computer technician who showed us how to use quick books and the point of sale software. All went well and will be up and running by June

A stock take will take place in the next 2 weeks and will be entered into the system so we are ready to process orders in June

All winter uniform is in stock except Beanie and scarf set, these will be delivered in 2-3 weeks

Pearl Pacific are also delivering size 10 zip jackets next Wednesday.

We do not have small sizes in football socks, will be reordering next week

I would like to order some football shorts for students that represent our school in football , it looks more professional wearing football shorts than the PSSA shorts.

I think we should look into sorting out our sports uniform , too many options.

Joanne will liaise with Angelica regarding the above matter.

Fundraising – Anastasia

Mother's Day Stall notes went out on the first day back and purchases have already been made to supplement donations.

* Volunteer list for wrapping and selling has been put up at the office and the response so far has been good.

* Wrapping will commence at 10:30am in the hall on Thursday following the P & C morning tea.

* Selling will commence at 9am in the hall on Friday 10th May.

* Angelica has put the selling timetable up in the staff room in case teachers need to make changes to their allocated times.

* Donated gifts will be picked up from class rooms on Thursday morning.

Moved : John

Seconded: Rose

Carried: yes

Canteen – Rose

*Nonda and Sue have made many positive adjustments to the canteen menu. Menu provides more information about current food available. Some examples include: Menu now details that light white milk is used for Warm milo (sold in winter only); Ingredients for Greek Salad and Caesar Salad clearly itemised, Nuggets are chicken breast. Also, Meal Deals have been updated to indicate what slushy vouchers can be exchanged for; as well changes to two Meal Deals. Meal Deal 2 has corn of cob replacing packet of chips. Meal Deal 1 has 2 spring rolls replacing garlic bread. All meal deals \$5. Fresh vegetable bags have been added to menu listing in support of Crunch N Sip.

*Iced tea removed from menu.

*Canteen has done an excellent job incorporating many of the changes suggested in Term 1. Canteen has worked very hard in supporting P&C and NSW Healthy

Food Canteen Strategies and the new menu is indicative of their effort.

*Healthy Food Posters are beginning to be handed in to canteen and they are being put up on the canteen walls.

*No suggestions in Canteen Suggestion Box for Term 2 given so early in Term.

No other canteen business to report.

General Business

Rebecca presented more information on the class parenting initiative , she will put an outline and structure together to trial the program.

It is illegal to drop students off at the cul-de-sac side of Miller St as it is a no stopping zone. Parents are encouraged to use the drop off zone on Bexley Rd side.

Meeting closed : 8.15pm
